

# Wire Management Solution

KB Racking's Wire Management Solution allows installers to neatly organize north-south running electrical wires into one, compact channel which is engineered to integrate seamlessly with KB Racking's flat roof mounting systems. The system features pre-attached roof protection mats and click-in covers for a simple, tool-free installation and maximum protection against the elements. The innovative solution is designed to install 30% faster than standard wire management systems while maintaining the quality KB Racking is known for.

- ETL Certified to NEMA VE1 and CSA C22.2#126.1
- Pre-attached roof protection mats
- Compact design integrates seamlessly with KB Racking's systems
- Click-in rail covers for a tool-free, rapid installation
- Simple grounding once per run using nut and bolt fasteners
- Durable aluminum components for long-lasting performance

Optional Wire Management System Connectors Available
