

REZIRACK 2.0

Residential Roof Mounting System

LOW COST - LEAK PROOF - QUICK INSTALL

REZIRACK 2.0 is KB Racking's upgraded residential shingle roof solar mounting solution, designed for use with both fully-railed and shared-rail mounting configurations. The system uses industry-leading flashing products, promoting rapid installation while forming a rigid solar mounting platform.

REZIRACK 2.0's adaptable design is complimented by its simple installation and feature-rich mounting rails. The KB10 rails offer integrated wire management, side mounting and common fasteners for a clean and fast installation.

FEATURES

- Rapid installation using industry-leading flashing products
- Integrated wire management
- Configured for fully-railed and shared-rail systems
- Side-mounted with T-bolts
- Low overall system weight
- 25-year standard product warranty, extended warranty available

REZI RACK 2.0

Residential Roof Mounting System

TECHNICAL
